#### OFF CAMPUS ACCOMODATION FOR THE MARCH -DECEMBER 2020 SEMESTERS

The Off Campus Life office advises students to make off campus accommodation arrangements before the beginning of the semester. Below is a list of available accommodation and the facilities being offered? Before you move in, be clear on rentals and house rules with the landlord/lady and also on whether there would be refunds on rentals if you move out before end of month/semester. It is advisable to sign a lease agreement to this effect. Students are also advised that they are free to stay at registered houses in any residential area of their choice since the University will provide buses to ferry them to and from Campus. **C – Munyati or call the Director Mr. G.
